

When Will You Come Home

Galaxie 500

When, when will you come home?
Watchin' TV all alone, watchin' Kojak on my own
Starin' at the wall and waitin' for your call
When, when will you come home? Now I'm Now, I'm crawlin' on the floor
Makin' noises like a dog, makin' noises you can't hear
Starin' at the wall and waitin' for your call
When, when will you come home?
