Messiah Complex Blues

Clem Snide

I wouldn't die for your sins
'Cause what if I lose and you win?
Our friendship is all that we have in the end
But I wouldn't die for your sinsAnd I love you with all that I can
And bleed from the palm of my hands
I'll see you in heaven if we both get in
'Cause I wouldn't die for your sins
No I wouldn't die for your sinsAnd the truth isn't so hard to see
Come to me I'll set you free
My brothers and sisters, I'll let you in
But I wouldn't die for your sins
No I wouldn't die for your sinsNo I wouldn't die for your sins
No I wouldn't die for your sins
No I wouldn't die for your sins
No I wouldn't die for your sins
