

Big Barn Bed

Paul McCartney

Who's that coming 'round that corner?
Who's that coming 'round that bend?
Who's that coming 'round that corner?
Will it, will it be my friend? Keep on sleeping in a big barn bed
Keep on sleeping in a big barn bed
Keep on sleeping in a big barn bed
Keep on sleeping in a big barn bed Who you gonna weep on? Who you gonna sleep on?
Who you gonna creep on next?
Weeping on a willow, sleeping on a pillow
Leaping armadillo, yes Keep on sleeping in a big barn bed
(Keep on, woman)
Keep on sleeping in a big barn bed
(Keep on, baby) Keep on sleeping in a big barn bed
(Keep on, woman)
Keep on sleeping in a big barn bed
(Keep on, baby) Will it, will it be my friend?
(Ooh, be my friend) Keep on sleeping in a big barn bed
(Keep on, woman)
Keep on sleeping in a big barn bed
(Keep on, baby) Keep on sleeping in a big barn bed
(Keep on, woman)
Keep on sleeping in a big barn bed
(Keep on, baby) Who you gonna weep on? Who you gonna sleep on?
Who you gonna creep on next?
Weeping on a willow, sleeping on a pillow
Leaping armadillo, yes Keep on sleeping in a big barn bed
(Keep on, woman)
Keep on sleeping in a big barn bed
(Keep on, baby) Keep on sleeping in a big barn bed
(Keep on, woman)
Keep on sleeping in a big barn bed
(Keep on, baby) Ooh, yeah, keep on, keep on
(Keep on, woman)
Keep on sleeping in a big barn bed
(Keep on, baby) Keep on sleeping in a big barn bed
(Keep on, woman)
Keep on sleeping in a big barn bed
(Keep on, baby) Keep on sleeping in a big barn bed
(Keep on, woman)

Keep on sleeping in a big barn bed
(Keep on, baby, keep on, woman)
