Housekeeping

Cibo Matto

What were you doing on the couch
What were you doing by the window
What were you doing in the tub
What were you thinking between the streetsWhat were you doing on the couch
What were you doing by the window
What were you doing in the tub
What were you doing on the bed
No tips for a week, ketchup on the sheets
Oh no, copy paste again, I'm always on the run forever
Housekeeping, housekeeping, housekeeping
I'm here to erase the trace
Housekeeping
I'm here to erase the trace
Housekeeping, housekeeping
I'm here to erase the trace
Housekeeping
You'll feel fresh
I know how to set you free
Housekeeping
You'll feel fresh
Housekeeping thisThink about it
I have a master key
Forget about it
Nobody is watching me
He made a big stain
But it wasn't Chianti
I closed my eyes
I took your weed and got highHousekeeping, housekeeping, housekeeping
I'm here to erase the trace
Housekeeping
Keeping
You'll feel fresh
I know how to set you free
You'll feel fresh
FreshI saw a million dollars in a bag
Asked my god, take it or not
That's the biggest tips in the world
We're the richest maid in the worldSend the money to my hometown
Build a house, and buy a car and cows

We're rich
Asked my god, take it or notHousekeeping, housekeeping, housekeeping
Housekeeping, housekeeping, housekeeping...I'm here to erase the trace
I'm here to erase the traceI know how to set you free
I'm here to erase the trace
Take it, take itI know how to set you free
I know how to set you free
I know how to set you free
Take it, take it
I know how to set you freeHousekeeping, housekeeping, housekeeping
Housekeeping, housekeeping, housekeeping...You know that I know how to set you free
You know that I know how to set you free
You know that I know how to set you free...
