

Ritual Submission

Nasty Savage

Music-Dave
Lyrics-RonFace to face
Proposition is made
 Surrender
 All your rights
 As a human
 With no risk
 At all
 Hard facts
 His word is
 His bond
 Rebirth
 A hot sweaty
 Grip of fear
 Her cruelty
Can't be controlled
She's your mistress
 Body and soul
 You signed
A contract to die
 She took you
 In hand
 The spin of her
Web beganRitual submission
It happens everydayWelcome pain
 In a
 Different
 Kind of way
 Bite the bullet
 To open
 Up your brain
 Narrow shallow
 Closed minds
 Always run a
 Step off time
 Four followers
 And no leader
 Daddy's boy
 And a teacher

Breath deep
The poison gas
Living in
The working classRitual submission
Ritual SubmissionBlack sky night
Spin in a
Whirlpool
Moon lit woods
The dogs
Were howling
In disbelief
Past
Quail Hollow
Send no flowers
For the
Head of the
Maji
He'll get the
Grand tribute
When they
Scatter the ashes
So Van Dercar
And Salvador
Surrealism's
An open door
Ritual submission
