Lone Wolf

Daisy May

Don't like the weather
When it's always the same
Don't like a candle
When I can't start the flame
Slow boat to China to get next to you
My heart's shipwrecked baby
Cross the ocean blue
Just for you, o-o anything for you
'O God of heaven
I'm stranded with no clue
'Cause I'm always the lone wolf again
[A lone, a lone, a lone, a lone wolf]
Yea
[A lone, a lone, a lone, a lone wolf]
So here the story will take a new twist
Suddenly the girl could not resist
She liked every little thing that I had to give
I was high-flying baby
Now that's the way to live
You, o-o anything for you
'O God of heaven
I tell you, you ain't got a bloody clue
'Cause no more will I be the lone wolf again
[A lone, a lone, a lone, a lone wolf
A lone, a lone, a lone, a lone wolf]
What I say
(I don't know much about philosophy
But I swear there's something happenin' here
'Cause I don't know much about no chemistry)
But I, but I swear, I swear, [Swear]
Bet you won't believe what I've got to say
I wish the cat would go
So this dirty rat could play
Don't like these four walls, knock them down
To tell you the truth
I can't stand the way you hang around, you
Anything for you
Dear God of heaven
Lay back down the law that's true

'Cause won't play the lone wolf again
Yea
[A lone, a lone, a lone, a lone wolf
A lone, a lone, a lone, a lone wolf
A lone, a lone, a lone, a lone wolf
A lone, a lone, a lone, a lone wolf]
[I don't know why things are always this way
I still don't know but I got to say
I don't know why things are always this way
I still don't know but I got to say
I don't know why things are always this way
I still don't know but I got to say]
Tell me is it the truth
Was I born to be the lone wolf
[A lone, a lone, a lone, a lone wolf
A lone, a lone, a lone, a lone wolf
A lone, a lone, a lone, a lone wolf
A lone, a lone, a lone, a lone wolf].
