

Can't Stand It Any Longer

Toto

Standin' on thin ice
Walkin' on a fine line
Never seem to buy enough for you, no If you're lookin' for a way out
Then you're headed for the right place
Givin' up is something I can't do, no, no Ooh, you got sharp claws
Always got your back up
Venom in your eyes and blood so blue, yeah Hangin' on a black tie
Sippin' on a half shell
Holdin' all the cards and a joker too, yeah You should have told me sooner
I would have let you go
You're gonna drive me crazy I can't stand it any longer
When you pay the price for freedom
It ain't wrong, girl
Well, I can't stand it any longer, no Dancin' on hot coals
Playin' with a live wire
Sneakin' out the back door, you're so cool, yeah If you really wanna move on
Then there's nothing left to say
Here's a ticket for the bus stop, I'm no fool, no, no You should have told me sooner
I would have let you go
Well now you're driving me crazy I can't stand it any longer
When you pay the price for freedom
It ain't wrong, girl, no
Well, I can't stand it any longer, no, no I can't stand it any longer
I can't take it anymore
When you pay the price for freedom
It ain't wrong, girl, no
I can't stand it, I can't stand it, I can't stand it any longer, no, no
Yeah I can't stand it any longer
I can't take it anymore
When you pay the price for freedom
It ain't wrong, girl, no, never wrong, girl
I can't stand it anymore
I can't take this anymore, no
