

I Feel For You

Kylie Minogue

Flowers grow
They're everywhere you go, I feel
(The rainbow)
I feel
(The rainbow through my thing)
Rainbow sky
Whenever you are by, I feel
(The rainbow)
I feel
(The rainbow through my thing)
I feel for you
(Mmm mmm mmm)
I can go on and on and on and on
I feel, I feel, I feel
(Oh oh oh, oh oh oh)
You know I feel for you
(The rainbow)
(The rainbow through my thing)
Stars appear
The moment you are near, I feel
I feel
(The rainbow through my thing)
I feel for you
(Mmm mmm mmm)
I can go on and on and on and on
I feel for you

I can go on and on and on and on
I feel, I feel, I feel
(Oh oh oh, oh oh oh)
You know I feel for you
Every second of the day
(I feel for you)
You know I just can't stay away
(I feel for you)
Baby when you're next to me
(I feel for you)
That's the way I like to feel
(I feel for you)

(The rainbow)
(The rainbow through my thing)
Colors shine
A sunbeam through my mind
I feel for you
(Mmm mmm mmm)
I can go on and on and on and on
I feel, I feel, I feel
(Oh oh oh, oh oh oh)
You know I feel for you
And on and on
And on and on
And on and on...
