Haunted Cathouse

Nekromantix

The stripper mummy's death dance
Out of the tomb comes sexy zombies
Causes shiver and earthquake's
Dead corpses awakes
The restless headless horseman
A guana smelling witch is
Is looking for his hat
Upstairs the frenzy she-devils
Eating coffinnails with a bat
Tempts with wild mad sin you know
Demended bondage are goI recommend iternal torment
chorus:
Back in that old Haunted Cathouse
Back in that old Haunted Cathouse
If only i could turn back time
All pleasures were for free
Where everybody used to go
Well that's where i would beBloody Mary and King Kong
Is kissing while lost soul's cry
Hand in hand watching meteors
And stars on the midnight skyA ghastly krew of wicked men
Arrives in the BatMoblie
Klingon's drunk flying
Their UFO.. uuuh what a thrill
