I Don't Think About It

Emily Osment

I don?t think about it, I don?t think about it
Misunderstood, everybody feels that way sometimes, oh oh oh oh
I wish I could fit in with all the rest but I, oh oh oh
Got my own style, got my own way
I don?t care what people say
Yeah ?cause, I don?t think about it, I don?t think about it
I don?t think about it, being myself there ain't no doubt about it
I won?t cry any tears, I?ll just live without fear
I?m so happy ?cause I?m living my life and I don?t think about it
A shooting star twinkling across the sky at night, oh oh oh
Near or far I?m wishin? everything would be alright, oh oh oh
Got my own dreams, got my own plans
Gonna get there anyway I can
'Cause I don?t think about it, I don?t think about it
I don?t think about it, being myself there ain?t no doubt about it
I won?t cry any tears, I?ll just live without fear
I?m so happy ?cause I?m living my life and I don?t think about it
Got my own style, got my own way
I don?t care what people say
Yeah ?cause I don?t think about it, I don?t think about it
I don?t think about it, being myself there ain?t no doubt about it
I won?t cry any tears, I?ll just live without fear
I?m so happy ?cause I?m living my life and I don?t think about it
I don?t think about it, I don?t think about it
I don?t think about it, being myself there ain?t no doubt about it
I won?t cry any tears, I?ll just live without fear
I?m so happy ?cause I?m living my life and I don?t think about it
Think about it, think about it
Oh I don?t, I don?t think about it, whoa oh, yeah
?Cause I?m living my life and I don?t think about it
