

# The Way

## Amorphis

Forging future from the timeless stone  
Oh let me know how far I can go  
Answering the questions that no one ever asks  
Float through the sea of madness and face the everlasting task  
So lonely to wander, so sad to be alone  
In the mist of the unknown  
Trying to fool myself with dreams that never come true  
So hard to stand my ground, never again  
Never again will I fail, will I fail  
Will you tell me not to wait, tell me to live for today  
As the flowers wither, I will forget my pain  
Since the stars have shone  
The devil has shown me the way  
Will you tell me not to wait, tell me to live for today  
As the flowers wither, I will forget my pain  
Since the stars have shone  
The devil has shown me the way, the way
