

Peace To the Mountain (Big Beige / 4th St Demos)

Coheed and Cambria

I learned to keep quiet
How to keep my distance
Afraid to let strangers in
How to keep my secrets?
Did I ever have
An idea of what this should have been
An unhappy accident
Longing for an origin, so let me go
Where no one can follow
Lost with my conscience
Please bury me honestThe song drones, I drink myself hollow
Regrets will regard this
Please bury me honestFree
I promise I'll go with
Peace
No
I promise I'll go with
Peace
When I'm freeRejected to the brink
Only so much I can change
An artist I wish I could have namedAnd my reliving, oh
Always I get a chance to change
Change the colors' permanenceSo let me go
Where no one can follow
Lost with my conscience
Please bury me honestThe song drones
I drink myself hollow
Regrets will regard this
Please, please baby bury meFree
I promise I'll go with
Peace
Oh, no, no
I promise I'll go with
Peace
When I'm free
When I'm freePeace to the mountain, girl, I'm gonna go, go
Peace to the mountain, girl, I'm gonna go, go
Peace to the mountain, girl, I'm gonna go, go
Peace to the mountain, girl, I'm gonna go, goSo let me go
