All I Want Is Everything (Demo)

Jellyfish

Ever since I was a twinkle in my father's pants
They told me I could have it all and more when given chance
"We'll get you anything that you want"A Ferrari on my 16th birthday
"We'll get you anything you need"
But what I need from you is so much moreAll I wanna be is wanted
All I wanna be is wanted by you
All I wanna be is wanted
All I want is everythingI think I'd like to play guitar and be a Beatle and be so swell
And every show I would just dedicate this song to you
And as I envy all my fansWhile I bitch about the price of fame
To my French maid Lou Ann
She looks attentive but she don't understandAll I wanna be is wanted
All I wanna be is wanted by you
All I wanna be is wanted
All I want is everythingAll I wanna be is wantedAll I want is everything
All I wanna be is wanted by you
All I wanna be is wanted
All I want is everythingAll I want is everything
All I want is everything
All I want is everythingAll I want is everything
All I want is everything
All I want is everything
All I want is everythingAll I want is everything
All I want is everything
All I want is everything
