Advisory - the following lyrics contain explicit language:

What is that smell? Walking through the plant today
Scoopin' up what gets away
It's poo poo, poo poo Something's smelling pretty ripe
Coming from that sewer pipe
It's poo poo, poo poo You know everybody knows
That can smell it with their nose
It's poo poo, poo poo I've got poo poo on my shoe
I've got poo poo on my shoe
It's poo poo, poo poo But first
You gotta, you gotta, you gotta
Got to, got to, got to, got to, got to
Got to, got to shit man Lemme, lemme, lemme
Lemme, lemme, lemme
Lemme, lemme shit man Don't gimme no, gimme no
Gimme no, gimme no, gimme no
Gimme no, gimme no, gimme no shit man Come on, come on, come on
Come on, come on, come on
Come on, come on shit He's got poo poo
