

Blackout

Charlotte OC

Oh, let the love begin
Oh, let the love begin againOh, I stood at light, I was turning to dust
Cold in the night, I was barren of trust
Locked in my heart, I couldn't believe how darkOn a whim, on the wind, you were summoned to me
And the sails they were filled with a torrent of dreams
A kiss on the lips, you wake me from my sleep'Cause I never wanted to be unfound
Suddenly I am the stranger in town
When all of the colors, you know, they all blackoutCan you wake, can you wake, can you wake me up?
Can I take, can you take, can you take me up?
I can't wait, I can't wait, I can't wait 'cause it's been long enoughCan you reach to me now? 'cause I've fallen in
And I'm caught in your wake, it's so hard to swim
Hold my hand, hold my hand, hold my hand and let the love beginOh, let the love begin
Let the love begin
Let the love begin
Let the love begin againWheels turn us round in the clocks of our lives
All we have is our own private terror to hide
Till a song sings to someone and listens to the sky'Cause I never wanted to be unfound
Suddenly I am the stranger in town
When all of the colors, you know, they all blackoutBlackout, blackout, blackout, blackout, blackout, blackout,
blackout
Blackout, blackout, blackout, blackout, blackout, blackout, blackoutOh, can you wake, can you wake, can you
wake me up?
Can you take, can you take, can you take me up?
I can't wait, I can't wait, I can't wait, it's been long enoughCan you reach to me now? 'cause I've fallen in
And I'm caught in your wake, it's so hard to swim
Hold my hand, hold my hand, hold my hand and let the love beginOh, let the love begin
Let the love begin
Oh, let the love begin
Let the love begin again
Let the love begin
Let the love begin
Oh, let the love begin againBlackout, blackout, blackout, blackout, blackout, blackout, blackout
(Blackout) oh, blackout
