

# Meda Samba

## Sean Fury

Meda (Let me talk to you, baby)

My world has changed since I have seen ya'  
(I'll pledge my soul to you)

I'm not complaining cause I need ya'  
(Something that everyone wants to hear)

My destiny lies with you  
(Sean Fury, my friend!)

Meda, I'll change the world for you now, Meda  
Whatever you ask me to now, Meda  
I'll even fight my god for you

You, you, you!

Meda, Oh Meda  
Oh Meda, oh Meda

Meda, I'll pledge my soul to you now, Meda  
I wanna grow old with you now, Meda  
I'm so in love with only you  
  
(Yeah yeah, yippy yeah yeah)

Meda, I'll be in a trance with you now, Meda  
I'll do a dance for you now, Meda  
Endless romance for only you

You, you, you!

Meda, Oh Meda (Anything that you want me to, whenever you ask me to)  
Oh Meda, oh Meda (I'll change the world for you)

You keep callin' me, keep callin' me (Meda)  
You keep callin' me, keep callin' me (Meda)  
(Calling me!)  
You keep callin' me, keep callin' me (Meda)

Just pick up the phone, you know I'm at home  
I'm waitin', waitin', waitin'

I can't stand it! (Meda)  
Know you planned it! (Meda)  
Come on, Meda!

Know you planned it! (Keep callin' me)  
(Meda)

Come on, Meda! (Callin' me, callin' me)  
(Meda)

Woo!

Keep callin' me, callin' me!  
Keep callin' me, callin' me!

I love what you do, I love what you do  
Come on, Meda! You're my Meda!

Just pick up the phone, you know I'm at home  
I'm waitin', waitin', waitin'  
I can't stand it!
