Pocket Full Of Change

Rain Tree Crow

She brings me water
"Sweeter than wine"
Lost in a moment
Summertime
Counting the hours
Beating out time
Shallow as any heart I could hope to find
Move with the water
Drift with the tide
With no regrets to keep the ghosts alive
But when she smiles, she smiles for me
She smiles for me
Life runs out like a pocket full of change
Time runs out like a pocket full of change
Here comes the morning
Blind and tight
Pulled by the undertow
This world of mine
This world is mine
But when she cries, she cries for me
She cries for me
Life runs out like a pocket full of change
Time runs out like a pocket full of change
Like a pocket full of change
Pocket full of change
Pocket full of change
Got a pocket full of change
