

Move

Mr Hudson

English men
Cannot dance
They think they can
But they can't
I'd rather hide
In your arms
Take the lead
In the dark And move with me
So I could move with you, oh
Is that my name on your lips?
Cause it is what it is
Don't stop, Don't stop, Don't stop
Until we... Come a little closer At the risk of being blunt
Girls round here
Know what they want
Let's turn an hour into a month
I'll show the way in the dark And move with me
Show me how to move with you, oh
Is that my name on your lips?
Cause it is what it is
Don't stop, Don't stop Just because we want to push
Doesn't mean we've got to rush
Just because I want to push
Doesn't mean I've got to rush Move with me
Show me how to move with you, oh
Is that my name on your lips?
Cause it is what it is
Don't stop, Don't stop, Don't stop
Until we... Move with me
Show me how to move with you, oh
Is that my name on your lips?
Cause it is what it is
Don't stop, Don't stop Don't stop, don't stop
Until we...
Don't stop, don't stop
Until we... Don't, don't, don't stop
Don't stop until we....
