With Us (Oh Emmanuel)

Israel & New Breed

Born of a virgin
King in a manger
Sent as a promise to heal the world
Coming Messiah
Given by Heaven
Miracle Savior of the world
And His name shall be called Emmanuel
Jesus You will never leave us
Savior God is with us
Oh oh oh oh
Emmanuel The Lord is with us
Whatever the season
No matter the problem
There's no reason to be afraid
No weapon formed against you shall prosper
Nothing can separate you from your Father
Yesterday today and forever still the same
Still the same
And His name is still called Emmanuel
For unto us a child is born
A Son is given
Call Him Wonderful Counselor
Mighty God Everlasting Father
Emmanuel
God is for me who can be against me
I don't have to fear because the Lord is here
