Falling Stars

Sunset Strippers

Trying to catch your heart Is like
Trying to catch a star, it's like
Trying to catch your heart Is like
Trying to catch a star, it's like
Trying to catch your heart Is like
Trying to catch a star, it's like
Trying to catch your heart Is like
Trying to catch a starTrying to catch your heart Is like
Trying to catch a star, it's like
Trying to catch your heart Is like
Trying to catch a star
Trying to catch your heart Is like
Trying to catch a starThat must be what you are.
Waiting for a star to fall,
And carry your heart into my arms
That's where you belong
In my arms baby, yeahWaiting for a star to fall,
And carry your heart into my arms
That's where you belong
In my arms baby, yeahWaiting for a star to fall,
And carry your heart into my arms
That's where you belong
In my arms baby, yeahWaiting for a star to fall,
And carry your heart into my arms
That's where you belong
In my arms baby, yeahWaiting.
Trying to catch your heart Is like
Trying to catch a star, it's like
Trying to catch your heart Is like
Trying to catch a star, it's like
Trying to catch your heart Is like
Trying to catch a star, it's like
Trying to catch your heart Is like
Trying to catch a star,.That must be what you are.
Waiting for a star to fall,
And carry your heart into my arms
That's where you belong
In my arms baby, yeahWaiting for a star to fall,
And carry your heart into my arms

That's where you belong
In my arms baby, yeahWaiting for a star to fall,
And carry your heart into my arms
That's where you belong
In my arms baby, yeahWaiting for a star to fall,
And carry your heart into my arms
That's where you belong
In my arms baby, yeah
