The Right One

Stellar Kart

Its time to say goodbye
Mistreated one too many times
Mistakes that I have made
Along with these tears will fade
Away in time some day Ill findThe right one
My own shooting star
That someone
Who wont break my heartAnd Ill wait forever
Until we meet
Youre one in a million
The right one for meIts time to start again
Pick up the pieces and begin
I dont need anyone
To tell me what I should become
Now I want more, Im still waiting forThe right one
My own shooting star
That someone
Who wont break my heartAnd Ill wait forever
Until we meet
Youre one in a million
The right one for meSay hey for the one in a million, hey
Say hey for the one thats right, hey
Say hey for the one in a million
Say hey for the one, two, three, fourThe right one
My own shooting star
That someone
Who wont break my heartAnd Ill wait forever
Until we meet
Youre one in a million
The right one forThe right one
My own shooting star
That someone
Who wont break my heartAnd Ill wait forever
Until we meet
Youre one in a million
The right one for meThe right one
The right one for me
The right one
The right one for me
