

# Why Oh Why Live A Lie

**Dale Watson**

The talk you talk ain't the walk you walk,  
Why oh why live a lie,  
The word's you speak you don't really mean,  
Why oh why live a lie, you can't be true to me be true to you,  
You can't love me just because you say you do,  
You're tongue tells stills but you're heart know's well,  
Why oh why live a lie, you seam blinded by all those temting signs,  
Why oh why live a lie,
