

# Happy

## Travis

It starts in the morning when you're lying next to me  
I'm rolling, I'm rolling, I'm rolling so quickly  
Now I'm not a doctor and I'm not a lawyer  
I get a prescription and set it on fire  
Blow me a kiss I'll be happy the rest of my life And I'm so happy 'cause you're so happy  
And I'm so happy 'cause you're so happy  
I'm so happy 'cause you're so happy  
And I'm so happy 'cause you're so happy  
Hey, hey oh, and I'm so happy And I really shouldn't like it but I love it  
When I say I'm not excited you're invited  
And I think I'm getting older  
There's this weight across my shoulders  
It's a shame we're the same  
Such a shame I'm to blame all the time But early this evening I wanted to be with you  
I got on the blower the next thing I know you're speaking  
Now I'm gonna tell you what I've been thinking  
And I got a hunch that you're thinking the same thing  
And with some luck we'll be lying together tonight And I'm so happy 'cause you're so happy  
I'm so happy 'cause you're so happy  
I'm so happy 'cause you're so happy  
And I'm so happy 'cause you're so happy  
Hey, hey oh, and I'm so happy, hey, hey Hey, hey, hey, hey, hey oh  
Hey, hey, hey I said, "Hey oh"  
And I'm so happy
