

# Never Gonna Leave This Bed

## Maroon 5

You push me, I don't have the strength to  
Resist or control you  
So take me down  
Take me downYou hurt me, but do I deserve this  
You make me so nervous  
Calm me down  
Calm me downWake you up in the middle of the night to say,  
I will never walk away again  
I never gonna leave this bedSo come here and never leave this place  
Perfection of your face  
Slows me down  
Slows me down  
So fall down I need you to trust me  
Go easy, don't rush meHelp me out why don't you help me outWake you up in the middle of the night to say,  
I will never walk away again  
I never gonna leave this bed  
You say go  
It isn't worth it and I say no  
It isn't perfect so I stay and still  
I'm never gonna leave this bed uhTake it, take it all take all that I have  
I'd give it all away just to get you back  
And fake it, fake it I'll take what I can get  
Knocking so loud, can you hear me yet?  
Try to stay awake but you can't forgetWake you up in the middle of the night to say,  
I will never walk away again  
I'm never gonna leave this bed  
Oh, you say go  
It isn't worth it and I say no  
It isn't perfect so I stay and still  
I'm never gonna leave this bed uhTake it, take it all take all that I have  
Take it, take it all take all that I have  
Take it, take it all take all that I have  
Take it, take it all take all that I have  
Take it, take it all take all that I have  
Take it, take it all take all that I have
