

# Rock The Night (plunk.ton Remix)

## Hellsongs

I come through changes,  
and I've come through pain.  
But there's not enough reason,  
for me to go insane.  
I know the feeling and it grows  
I'm reached up from my head down to the toes  
You know it ain't easy,  
running at a thrill,  
you know it ain't easy,  
when you don't know what you want.  
What do you want?  
Woah, you've got to rock know, rock the night,  
to early in the morning light,  
rock know, rock the night,  
you better believe it's right.  
I know my limit,  
just what it takes,  
the things ain't good enough,  
oh I just pull a break,  
and sometimes it's easy,  
and sometimes you're tough.  
Just the one thing clear,  
oh I can't get enough.  
You know it ain't easy,  
running out a thrill,  
you know it ain't easy,  
when you don't know what you want.  
you know it ain't easy,  
running out a ghost thrill,  
you know it ain't easy,  
when you don't know what you want.  
What do you want?  
Woah, you've got to rock know, rock the night,  
to early in the morning light,  
rock know, rock the night,  
you better believe it's right.  
Woah, you've got to rock know, rock the night,  
to early in the morning light,  
rock know, rock the night,

you better believe it's right,  
you better believe it's right.  
Believe, you better believe it's right.  
Believe, you better believe it's right.  
Believe, you better believe it's right.
