

Sing Hallelujah

[Micah Stampley](#)

From the earth, we proclaim your majesty
Behold the king, the lamb of royal deity
There is none like you, who is faithful and true In your word, we find grace, peace and strength
We rejoice, at the mention of your name
There is none like you, who is faithful and true Say! Every nation join in one accord and sing
Hallelujah, Hallelujah!
All creation join with one voice and sing
Hallelujah, Hallelujah! From the earth, we proclaim your majesty
Behold the king, the lamb of royal deity
There is none like you, who is faithful and true In your word, we find grace, peace and strength
We rejoice at the mention of your name
There is none like you, who is faithful and true Every nation
Every nation join in one accord and sing
Hallelujah, Hallelujah!
All creation
All creation join with one voice and sing
Hallelujah, Hallelujah! Almighty God you are our King, majesty Let all the people sing, in one accord we'll sing
Hallelujah, Hallelujah
(repeat 14X or til fade)
