

# New York, New York

## Moby

New York, New York  
Does it taste right  
Does it feel rightNew York, New York  
Does it burn bright  
Are the stars light  
Do you know my name  
Do you even care  
Do you love when I take you up thereNew York, New York  
Does it taste nice  
Does it feel rightNew York, New York  
Does it taste like  
What it burns like  
Do you know my name  
Do you even care  
Do you love when I take you up thereBaby won't you take me there  
Make it like you really care  
I am feeling good up there  
Just keep the diamonds in my hair  
Make me feel good right now  
Like everything does in this town  
Lines of snow and popping corks  
Money, drugs in old New YorkBaby won't you really hurt  
Make it like it really burns  
I am feeling good up there  
Just keep the diamonds in my hair  
Make me feel good right now  
Like everything does in this town  
Lines of snow and popping corks  
Money, drugs in old New YorkNew York, New York  
Does it taste right  
Does it feel rightNew York, New York  
Does it burn bright  
Are the stars light  
Do you know my name  
Do you even care  
Do you love when I take you up thereBaby won't you take me there  
Make it like you really care  
I am feeling good up there  
Just keep the diamonds in my hair

Make me feel good right now  
Like everything does in this town  
Lines of snow and popping corks  
Money, drugs in old New YorkBaby make it really hurt  
Like everything that ever burned  
I am feeling good up there  
Just keep the diamonds in my hair  
Make me feel good right now  
Like everything does in this town  
Lines of snow and popping corks  
Money, drugs in old New YorkBaby won't you take me there  
Make it like you really care  
I am feeling good up there  
Just keep the diamonds in my hair  
Make me feel good right now  
Like everything does in this town  
Lines of snow and popping corks  
Money, drugs in old New York
