All The Things She Said (Rusty Hook Flip)

Tatu

All the things she said
All the things she said
Running through my head
Running through my head
Running through my head
All the things she said
All the things she said
Running through my head
Running through my head
All the things she said
This is not enoughI'm in serious shit, I feel totally lost
If I'm asking for help it's only because
Being with you has opened my eyes
Could I ever believe such a perfect surprise?I keep asking myself, wondering how
I keep closing my eyes but I can't block you out
Want to fly to a place where it's just you and me
Nobody else so we can be free
Nobody else so we can be freeAll the things she said
All the things she said
Running through my head
Running through my head
Running through my head
All the things she said
All the things she said
Running through my head
Running through my head
All the things she said
This is not enough
This is not enoughAll the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she saidAnd I'm all mixed up, feeling cornered and rushed
They say it's my fault but I want her so much
Want to fly her away where the sun and rain
Come in over my face, wash away all the shame
When they stop and stare, don't worry me

'Cause I'm feeling for her what she's feeling for me
I can try to pretend, I can try to forget
But it's driving me mad, going out of my headAll the things she said
All the things she said
Running through my head
Running through my head
Running through my head
All the things she said
All the things she said
Running through my head
Running through my head
All the things she said
This is not enough
This is not enoughAll the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she saidMother looking at me
Tell me what do you see?
Yes, I've lost my mindDaddy looking at me
Will I ever be free?
Have I crossed the line?All the things she said
All the things she said
Running through my head
Running through my head
Running through my head
All the things she said
All the things she said
Running through my head
Running through my head
All the things she said
This is not enough
This is not enoughAll the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
