Putting The Dog To Sleep

The Antlers

Prove to me
I'm not gonna die alone
Put your arm 'round my collar bone
Open the door

Don't lie to me
If you're putting the dog to sleep
That pet you just couldn't keep
Couldn't afford

Prove to me
I'm not gonna die alone
I've stitched the stuff of souls
To close up the hole that tore through my skin

Well my trust in you
Is a dog with a broken leg
Tennants too torn to beg
For you to let me back in

Said I can't prove to you
You're not gonna die alone
Trust me to take you home
To clean up that blood all over your paws

You can't keep running out
Kicking yourself off the ground
Kicking yourself in the head
'Cause we give you little

Put your trust in me
I'm not gonna die alone
Put your trust in me
I'm not gonna die alone
I don't think so

Put your trust in me
I'm not gonna die alone
Put your trust in me
I'm not gonna die alone

I don't think so
