Love Fighter

Crushed Butler

Hey Rose, tell me where have you gone.
Hey Rose, tell me where have you gone.

Down to your house,
Yeah, going again,
Yeah next again,
Yeah I'm going to win now.

Love fighter,
Love fighter,
Love fighter,
Love fighter,
Love fighter,
Love fighter,

Lord have mercy on me.

Hey Rose, tell me where have you gone.
Hey Rose, tell me where have you gone.

Down to your house,
Yeah, I'm going again
Yeah, next again
Yeah, I'm going to win now.

Love fighter!
