Spirit Dancer

BlackHawk

Dear Lord, help us understand
Why you came and took him by the hand
And led him to his new home in the skyOur hearts weren't ready to let him go
So this is our way to let him know that we miss him
And our love for him will never dieSpirit dancer, he dances his way into our hearts
Spirit dancer, right beside us from the very start
Spirit dancer, spirit dancer, dance for meYou can hear him singing every once in a while
He's right beside us every mile we go
Every town, every showSpirit dancer, he dances on the stars above
Spirit dancer, flying on the wings of love
Spirit dancer, spirit dancer, dance for me
Dance for meWay up high where eagles fly to hear your harmony
Someday soon we'll all be there
So save a dance for meSpirit dancer, he dances his way into our hearts
Spirit dancer, right beside us from the very start
Spirit dancer, spirit dancer, dance for meHe dances on the stars above
Spirit dancer, flying on the wings of love
Spirit dancer, spirit dancer, dance for me
Spirit dancer, spirit dancerSpirit dancer, spirit dancer dance for me
Dance for me
Dance for me
Dance for me
Dance for me
Dance for me
