

For You

Coldplay

If you're lost and feeling low
Circumnavigate the globe
All you ever have to hope
For you to
And the way you seem to flow
Circumnavigate the globe
I never seem to lose control with you
Everyone of us is high
And everyone of us is scarred
And everyone of us is scared
And how about you?
Your eyes are closed
Your head held low
Your eyes are closed
Everyone of us escapes
And everyone of us is low
Everyone of us has hope
For you, for you, for you
