

Rolling Thunder

Riot

Rolling thunder, feel my fears come alive
Stop and wonder, how many people must die ?
I've gone away, far away, to this misery
Help me, someone set me freeRun hide
 Coming after me
 Run hide
On to albanHungry army, brothers Iroquois
 Lonely party, fighting down in troy
 Long ago, so far away
 Driving westward shores
Help me, someone hear me sayRun hide
 Coming after me
 Run hide
 On to alban
 Run hide
 Coming after me
 Run hide
 Killers all I see
