

Outside (K-Gees Cut)

George Michael

(Let's go outside, let's go outside)
(Let's go outside)Back to nature, just human nature
Getting on back to
I think I'm done with the sofa
I think I'm done with the hall
I think I'm done with the kitchen table, babyLet's go outside (let's go outside)
In the sunshine
I know you want to, but you can't say yes
Let's go outside (let's go outside)
In the moonshine
Take me to the places that I love bestSo my angel she says "don't you worry"
About the things they're saying, yeah
Got no friends in high places
And the game that you gave away
Wasn't worth playingLet's go outside (let's go outside)
In the sunshine
I know you want to, but you can't say yes
Let's go outside (let's go outside)
In the meantime
Take me to the places that I love bestAnd yes I've been bad
Doctor won't you do with me what you can
You see I think about it all the time
Twenty four seven (twenty four, twenty four seven)You say you want it, you got it
I never really said it before
There's nothing here but flesh and bone
There's nothing more, nothing more
There's nothing moreBack to nature, it's human nature
Getting on back toI think I'm done with the sofa
I think I'm done with the hall
I think I'm done with the kitchen table, babyLet's go outside (let's go outside)
In the sunshine
I know you want to, but you can't say yes
Let's go outside (let's go outside)
In the moonshine
Take me to the places that I love bestAnd yes I've been bad
Doctor won't you do with me what you can
You see I think about it all the time
I'd service the community (but I already have you see!)
I never really said it beforeThere's nothing here but flesh and bone

There's nothing more, nothing more
There's nothing more
Let's go outside
Dancing on the d-train baby When the moon is high
And the grass is jumpin'
Come on, just keep on funkkin'
Keep on funkkin', just keep on funkkin'
