Alive Reprise

Travis Greene & Mali Music

C'mon Mali

ooooh ohhhhhhhh -oooooh Halleluya!
Halleluya_ C'mon everyone raise your voices.....
I was lost...
You came and gave me direction.... I found it all in you
Everything I have is in you and I'm so grateful Father and I bless you Jesus
.....
Now I'm free, I'm alive...and in you...you...you...
I'm alive
