Let The Good Times Roll

Bahamas

Hey everybody
Let's have some fun
You only live but once
And when you're dead you're done
So let the good times roll
I said, "Let the good times roll"
I don't care if you're young or old
You oughtta get together and let the good times roll
Don't sit there mumbling
Talkin' trash
If you want to have a ball
You got to go out and spend some cash
And let the good times roll now
I'm talkin' about the good times
Well it makes no difference whether you're young or old
All you got to do is get together and let the good times roll
Hey y'all tell everybody, Ray Charles in town
I got a dollar and a quarter and I'm just ringing the clock
But don't let no female, play me cheap
I got fifty cents more than I'm gonna keep
So let the good times roll now
I tell y'all I'm gonna let the good times roll now
Well it don't make no difference if you're young or old
All you got to do is get together and let the good times roll
Hey no matter whether, rainy weather
If you want to have a ball
You got to get yourself together
Oh, get yourself under control, woh, and let your good times roll
Yeah
