Hello

Mallory Knox

Pick up the phone
Please pick up the phone
I'm all alone
Baby pick up the phone
(Baby pick up the phone)
And call a brotha some time
(Call a brotha some time)
To see what's on my mind
(See what's on my mind)
I'm all alone
Baby pick up the phone
(All you gotta do is dial my number)
And call a brotha some time
To see what's on my mind
Hello my love, yo its me again
I can't figure out where the hell you've been
Can you feel me in on just where I stand
I thought I was your nig I thought I was your man
Used to share the things, things that lovers do
Can't loose your love girl I'm telling you
All my life it's been such a hectic race
Wanna settle down, you I cannot replace, baby
I'm all alone
(I'm all alone)
Baby pick up the phone
(Pick up the phone)
And call a brotha some time
(Call me anytime that you need me, baby)
To see what's on my mind
(See what I'm thinkin' a little about you, you baby)
I'm all alone
Baby pick up the phone
(All you gotta do is dial my number)
And call a brotha some time
(I'll be there)

To see what's on my mind
Sittin' thinkin' here 'bout the times we shared
Now I'm feeling down 'cause you never left

Calling constantly blowing up your phone
Wondering if you're ever comin' home
I can't think about nothing else but you
So there's nothing there I can't believe we're through
All this time I thought we would never part
When we were in love darling you had my heart
Yeah, baby pick up the phone, I know you hear me
Baby I'm sorry, you know what I'm saying?
I didn't mean what I did you know what I mean?
I know you listening to me baby why don't you just pick up the phone
Be real about it, you know what I mean?
Oh you gonna play like that? I can't believe your going out like that
That's real ill, you know what I mean?
That's Iight then I'ma keeping callin'
I'm all alone
(I'm all alone)
Baby pick up the phone
(Baby pick up the phone)
And call a brotha some time
(All you gotta do is pick up the phone)
To see what's on my mind
(I've been thinkin' about you, yeah)
I'm all alone
Baby pick up the phone
(Baby pick up the phone, baby)
And call a brotha some time
To see what's on my mind
(See what's on my mind)
See what's on my mind
See what's on my mind
