

Shape (feat. Big Sean) [Explicit]

Tinie Tempah

Let me see your shape
Let me see your shape
I knew you was the one
Before I even saw your face
I'm a hero in my ends and I ain't never wore no cape
I be putting on them pounds
And I ain't gaining no weight eh
Let me see your shape
Girl your doing great
Put your lips around my..
Said she'd only do it for drake eh
If you play your cards right you can sip on some of this ace
If you play your cards right you can sip on some of this ace
I got plenty more on my table
CEO of my label
I get Arab money and Jewish bread
Bitch we be making that bagel
No cameras on my table
'cos the consequence could be fatal
We got all your girlfriends in
And now they're acting ungrateful
She asking me for that Cain
I said I won't be able
She went to use the toilet
And now she's sounding nasal
Before my mama had me said she saw the angel Gabriel
Before my mama had me said she saw the angel Gabriel

CHORUS

VERSE 2 (BIG SEAN)

I'm with like 4, 5 bad bitches what a compilation
Henessy me weed what a combination
I dun, had a bad day tonight's a compensation
Nothing more important in the word than world domination
Gon' lick it up
Cash flow picking up
Still ain't got no patients baby, quick ain't never quick enough
It seems like rich ain't never rich enough
Bitch I'm so nasty, I'ma probably be 70 years old and happy I can still get it up
Drop it on me like surprise

Almost had me a stroke
Dropping champagne till I'm soaked
Her tongue out, she gross, (love it)
I'm O G connected though
Presidential suite
Presidential weed respect my vote
Me and Tinie Tempah doing numbers we projected hoe
These niggers talking shit it really don't affect us though, I spent all my money on my outfit
Do that mean that I'm shallow I take a bad bitch and skidaddle and she even show me her tattoo when I
say(Chorus)
