

Give it up

Hothouse Flowers

Well, I'm coming face to face with my conscience
Coming to an understanding of myself
Clear out all the old cobwebs

Clear out all the old books from the shelfThis song is inspired by a good man and his tune
Thinking good of others sing 'Amazing Grace' to you
It doesn't really matter if you're all jumbled up inside
As long as you know that love is endless and the world is wide

As long as you knowGive it up

Share it out

Help, help who you can

Talk about itIt's late in the morning, close to the time
And Mary's in the alley she never stops smiling
Always love to see her she means a lot to me

But I know she's got a hard time trying to make ends meetGive it up
Share it out

Help who you can

Talk about itDown Georgia Street arcade where the poor children play
Gathering up charity to help them make their day
Well me, I was once their age, once I was young
But I know, I had my family to fall back onGive it up

Share it out, yeah

Help who you can

Talk about itOh, give it up

Share it out

Help who you can

Don't just talk about it

Talk about itHelp these child
Help these childGive it up

Share it out

Help who you can

Talk about itGive it up

Share it out

Help who you can

Talk about it
