# Mirror, Mirror

## Kelly Price

Been looking for love and never could find it
While I'm standing here and he is so blinded
By her silly ways, he just can't imagine
She's playing a game, a game that he played for so long, oh
I want him to know just how much I love him
I wanted to show but he just believes
I'm a friend he can trust but I wanna touch him
I love him enough to heal all the hurt in his heart
Oh yes, I do, but how do I start?
Mirror, mirror on the wall
Can you tell me who to call
When the one I love is loving someone who can't see
Mirror, mirror on the wall
Tell me if he'll ever fall
So in love with me or could it be it's just make believe?
Boy, I had a dream or maybe a vision
That I was your queen 'cause I fit the slipper
You took me away to happily ever
We laughed and we made
Sweet love till the sun came again
Oh yeah we did, but that was the end, oh
Mirror, mirror on the wall
Can you tell me who to call
When the one I love is loving someone who can't see

Mirror, mirror on the wall
Tell me if he'll ever fall
So in love with me or could it be it's just make believe, oh
If you're looking for love
It's right in your face
I've been waiting for you
Oh so don't run away
Fairy tales can come true
If you will believe, yeah yeah yeah
Mirror on the wall
Can you tell me who to call
When the one I love is loving someone who can't see, yeah yeah
I wanna know
Mirror, mirror tell me

Is he gonna love me, is he gonna love me?
Or could it be I'm living a dream? Yeah, yeah
Mirror, mirror, yeah
Mirror, mirror, yeah
I wanna know, I wanna know is he gonna know
That I'm loving him and I'm needing him
Or will he always love someone who can't see, yeah? Yeah, yeah
Mirror, mirror on the wall
Mirror, mirror on the wall
