

Spare Me a Little of Your Love

Fleetwood Mac

Written by Christine McVie.

Why not lie here in my arms

And listen to the night

You must know you have certain charm

And I feel the time is rightSo spare me a little (just a little bit)

Spare me a little (just a little bit)

Spare me a little of your love (of your love)

Spare me a little (just a little bit)

Spare me a little (just a little bit)

Spare me a little of your love (of your love)

Now I know that I feel much more

Oh in every single way

And it's not the same as before

It gets stronger everydaySo spare me a little (just a little bit)

Spare me a little (just a little bit)

Spare me a little of your love (of your love)

Spare me a little (just a little bit)

Spare me a little (just a little bit)

Spare me a little of your love (of your love)Now I know how the sun must feel

Every time it shines

And now I know this is real

And I want you to be mine

So spare me a little (just a little bit)

Spare me a little (just a little bit)

Spare me a little of your love (of your love)

Spare me a little (just a little bit)

Spare me a little (just a little bit)

Spare me a little of your love (of your love)Just a little bit
