Party Talk

Joe Trufant

Is this too much for you right now
We can postpone this
If you've had enough of me right now
Truth be told everything's off
I know they treat you so awful
So trapped in this moment tonight
Girl when you know it's not right
Where is your focus right now
Baby I won't let you down
I won't let you down(HOOK)
Girl you shouldn't be here anyway
Anyway
You can tell me all
You can tell me all about it
Girl when it's not so crowded
Girl you shouldn't be here anyway
You can tell me all about it
Baby you shouldn't be here anyway
You can tell me all about it
All about it all
Lowkey I hope you don't get to me
I've just been thinking so differently
I just been thinking so differently
Oh you know
We had a thing in days past
I know we talk and you hate that
Everything I've been saying is so real
I know you're running from this life I can feel it
Baby what are you hiding don't conceal it
I know that this love we have is real
I won't let you down(HOOK)
Girl you shouldn't be here anyway
Anyway
You can tell me all
You can tell me all about it
Girl when it's not so crowded
Girl you shouldn't be here anyway
You can tell me all about it
Baby you shouldn't be here anyway

You can tell me all about it
All about it all
