I Rise, I Fall

Rick Nelson

I rise, I fall with each little thing you do
You hurt, I hurt, I'm that much a part of you
And when you're happy baby, well I'm happy too
Since I'm that much a part of youI rise, I fall with each little breath you take
You cry, I cry 'cause I feel the same heartache
And when you're smiling baby, well I smile too
Since I'm that much a part of youYour lips are my lips, my heart is your heart
Never let us be further than just a breath apartI rise, I fall with each little thing you do
You hurt, I hurt I'm that much a part of you
Every thing that you feel baby, well I feel it too
Since I'm that much a part of you
Every thing that you feel baby, well I feel it too
Since I'm that much a part of you, a part of you, a part of you
