

Never Let Me Go

Flatt Lonesome

Love me sweet, love me tender
Love me strong and true
Take a moment to remember
When our love was new
You know me, I know you
We know what to do
So, wrap your arms around me, dear
And swing me 'round the room

CHORUS:

Hold me tight and sway
Dance with me so slow
You'll never have to lose me
If you never let me go

All day long and through the night
We'll dance around the room
It won't be long till mornin' light
When gladness turns to gloom
Don't you worry, don't you cry
Don't let those teardrops fall
I'd rather hold you just tonight
Than not know love at all (Chorus 2X)

You'll never have to lose (You'll never have to lose me)
No, you'll never have to lose me
If you never let me go
