100 Hoes

Mike Sherm

I bet id fuck 100 hoes off this mixtape (x2)
I only fuck from the back she got hella ass, got my nut then i cut she was hella mad
send that money thru, i'll pick that shit up hella fast
i've been eatin good i be surprised that i aint hella fat

All my money blue with the strips on it, i tell her get up off my dick cuz yo bitch on it, all hoes want me back
keep it lit on em
I got money out the ass so i shit on em

If yo bitch bad dont be mad when i hit on her
niggas disrespect me i have no chose but to get on them
snakes in the grass cut em off before i trip on em
fuck em, i aint gettin mad im gettin rich on em

I bet i'd fuck 100 hoes off this mixtape
she eat the dick then she treat it like a mixtape
this lil bitch got cream like a shortcake
got her body in the bed shakin like an earthquake

I bet u never seen no nigga with some shit like this
2 bands if you wanna rock a fit like this
bitch buzzin cuz she neva had no dick dick like this
she said i'm actin brand new bitch i been like this

I bet id fuck 100 hoes of this mixtape(x2)
