

# Anxiety

## Damn Seagulls

Anxiety, anxiety, keeps me happy  
Anxiety, anxiety, keeps me happy  
    Always stiff all day long  
Nothing's right till it's all wrong  
It makes no sense until I'm tense  
Always laughing at your expense  
Anxiety, anxiety, keeps me happy  
Anxiety, anxiety, keeps me happy  
    Always biting on my nails  
    Always stiff, it never fails  
    Now, I think I'll pick my nose  
    Wipe it on my sweaty clothes  
Anxiety, anxiety, keeps me happy  
Anxiety, anxiety, keeps me happy  
    Always screamin' at someone  
    Got a temper like a gun  
    Hair trigger personality  
Anxiety, anxiety, keeps me hap-happy  
And I'm crazy, crazy, crazy in a crazy world  
    And I'm crazy  
    (Crazy)  
    Crazy in a crazy world  
    And I'm crazy  
    (Crazy)  
    Crazy in a crazy world  
And I'm crazy, crazy, crazy in a crazy world  
A N X I E T Y, A N X I E T Y  
    Anxiety keeps me high  
    Cross my heart and hope to die  
Anxiety, anxiety, anxiety, anxiety
