You're Not Alone

Olive

In a way it's all a matter of time
I will not worry for you, you'll be just fine
Take my thoughts with you and when you look behind
You will surely see a face that you recognizeYou're not alone, I'll wait till the end of time
Open your mind, surely it's plain to see
You're not alone, I'll wait till the end of time for you
Open your mind, surely there's time to be with meIt is the distance that makes life a little hard
Two minds that once were close, now so many miles apart
I will not falter though, I'll hold on till you're home
Safely back where you belong and see how our love has grownYou're not alone, I'll wait till the end of time
Open your mind, surely it's plain to see
You're not alone, I'll wait till the end of time for you
Open your mind, surely there's time to be with meYou're not alone, I'll wait till the end of time
Open your mind, surely it's plain to see
You're not alone, I'll wait till the end of time for you
Open your mind, surely there's time to be with meYou're not alone, I'll wait till the end of time
Open your mind, baby there's time to be with me
You're not alone, I'll wait till the end of time
Open your mind, surely there's time to be with meYou're not alone, I'll wait till the end of time for you
Open your mind, baby there's time for me and you
