

Reach Ya (Masheen Remix)

Anthony David

If I could only, only, only reach ya
If I could only, only, only reach ya
If I could only, only, only reach ya
If I could only, only, only reach ya. Meet Mr. Stanley he's the man, he's got it figured out
He and his family got it planned they'll never be without
He runs the world with just the waiver of his hand
And you probably been a victim of his influence
His got your favorite politicians in his pocket
And he'll take the food straight from your mouth
If you don't watch em
He makes the rules and breaks the rules of all at the time
And he get's to do what he wants to do
'Cause he refuse to lose it all If I could only, only, only reach ya
If I could only, only, only reach ya
If I could only, only, only reach ya
If I could only, only, only reach ya. Meet Ms. Savannah she's been diagnosed with cancer
She has to keep this secret from her new employer
She can afford the proper treatment from her doctor
And she's afraid that if they knew this they would drop her
She tries to hide it to avoid the miss suspicion
They won't accept the preexisting conditions
She stressing out and amplifying all the symptoms
Hopin' they get healthcare right so* she won't be a victim. If I could only, only, only reach ya
If I could only, only, only reach ya
If I could only, only, only reach ya
If I could only, only, only reach ya. If I could only, only, only reach ya
If I could only, only, only reach ya
If I could only, only, only reach ya
If I could only, only, only reach ya.
