S C O O T E R infect ya
S C O O T E R infect yaS C O O T E R infect ya
S C O O T E R infect ya
S C O O T E R infect ya
S C O O T E R infect ya, yeahS C O O T E R infect ya
S C O O T E R infect ya
S C O O T E R infect ya
S C O O T E R infect yaAlright! One more time we are ready to go
We are ready to go, yeah
So relax, feeling free, you can fly to the sky
So come on! Get up!Bass
Set your mind free, set your mind free, set your mind free
Set your mind free until you see what I see
Set your mind free until you see what I seeAlright, are you ready?
'Cause we are ready
To shake the nation with another creation
Yes alright! So here we goStart the dance and we put you in a trance
Start the dance and we put you in a trance
Start the dance and we put you in a trance
Start the dance and we put you in a tranceStart the dance and we put you in a trance
Start the dance and we put you in a trance
Start the dance and we put you in a trance
Start the dance and we put you in a tranceYes! Get up! Feel the bass drum rocking the beat
Yes! Come on! Get down now
Rock, feel the bass line moving your feet!
Come on! Get down, yesSet your mind free, set your mind free, set your mind free
Set your mind free until you see what I see
Set your mind free until you see what I see
Set your mind free until you see what I seeIf you see what I see just let me hear you people scream
See what I see just let me hear you people scream
See what I see just let me hear your scream
If you see what I see just [Incomprehensible] people scream, yesSet your mind free, set your mind free
Set your mind free until you see what I see
Set your mind free until you see what I see
Set your mind free until you see what I see
