Diamanda Galás with John Paul Jones

When you hear me calling your name in the night
Do you run to your window thinking a coyote might
 Be howling
When you hear me knocking at your door again
 Do you tell yourself it's only the wind
 That's blowing
When you watch the sun sink down in the west
Do you tell yourself that the heart in your chest
Is still beating Will you know or must I tell you
 This is my lover's spell you have fallen into
 My dear
 My voice is all you'll hear
Only the sound of my heart pounding, darling
 You took my heart
 Cast it aside
 Laughed when I cried
 Like it was just no big deal
 And here all alone in the dark
I know just how you feel When you feel my fingers touch your skin again
 Do you tell yourself there's just no use
 In crying
 When the stars in the sky begin to fade
 Do you tell yourself, don't be afraid
 It's just the night
 That's dying Will you know or must I tell you
This is my lover's spell you have fallen into, my dear
 My voice is all you'll hear
 Only the sound of my heart pounding, darling
